Re: Authorization for Yehuda Wachmann to represent me regarding Beyond Bibs and US Patent 11,986,026 B2

I, Batya Wachmann, am the sole inventor and owner of the following:

- US Patent 11,986,026 B2, "Unitary Baby Bib", granted May 21, 2024
- Israeli patent application no. 286884
- Israeli design registration no. 67877
- the Beyond Bibs crawling bib and eating bib, and all related designs, materials and know-how

I authorize my husband, **Yehuda Wachmann**, of 105 5th Street, Lakewood, NJ 08701 (+1 929-377-2999), owner of Crawling Always LLC, to act as my representative in all matters concerning these products and rights. He may:

1. present and submit the products to licensing agents, manufacturers, retailers and potential buyers;
2. sign submission forms, data sheets and confidentiality or non-disclosure agreements on my behalf;
3. receive information, correspondence and offers about the products and patents;
4. negotiate the terms of any license, sale or other agreement.

Any final license, sale or assignment of the patents will be signed by me as the patent owner, after he has negotiated it.

This authorization is effective from the date below and remains in effect until I withdraw it in writing.
